The Taharis' pumpkin patch

Rory and Elie Tahari

POWER COUPLE RORY AND ELIE TAHARI HONOR HALLOWEEN IN STYLE: "We love to turn our roof garden into a haunted house. Last year, we turned our bathroom into a scientists' laboratory and our sundeck into a pirates' cove. We served hot chocolate with marshmallow ghosts," Rory says.

Phillip Lim's Fall Get-Together

ON THE MENU: "I serve foods that are comforting and familiar, like gourmet mac and cheese. Or I go the other way with fun and interactive cuisine like a gigantic pot of shabu-shabu, which is Japanese fondue."

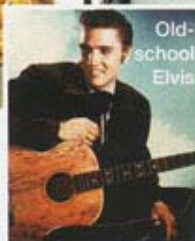

IN THE GLASSES: "I'm really into serving chilled red wine. I find that mild riojas or reds from the Botalcura winery in Chile work best."

ON THE IPOD: "Right now, I'm in a retro mood: Elvis from the Sun Records days, Harry Belafonte, the Zombies, and Chet Baker."

ON THE TABLE: "Villeroy & Boch crystal decanters. I'll have a table full of them and serve different drinks in each one to add color to the atmosphere."

FLOWERS: "At the moment, it's single-flower arrangements... but always white."
