

*I travel the world
through
chocolate*

When I founded Vosges Haut-Chocolat ten years ago, I vowed to create a luxury chocolate experience rooted in a sensory journey, one that would delight the most discerning of clients and the most passionate of foodies. Your gift recipients will join me on a journey around the world in a single box, Traveling the World through Chocolate and challenging the way they think about food. You choose the destination. Embark upon a sensory voyage to India with our sweet Indian curry and coconut Naga truffle, make a stop in Japan with the wasabi, ginger and black sesame seed Black Pearl truffle or experience authentic chili pepper infused dark chocolate with our Red Fire product line. Perhaps it is the simple indulgence of Comfort Food—Caramel Toffee, gooey Caramel Marshmallows, Peanut Butter Bonbons or Wink of the Rabbit Caramels—that your clients would relish in...

My exceptional Corporate Concierges are here to guide you in choosing the quintessential gift. I want your gifting experience to be a reflection of your brand, your creativity and your taste. Whatever your wish, a culinary journey awaits.

peace, love + chocolate,
Katrina Markoff, Owner and Chocolatier
