*fresh direct*

Like most of **Sarabeth Levine's** gorgeous cakes, this one is coated with thick buttercream and adorned with fresh flowers hand-picked daily from the farmer's market.

*whiter shade of pale*

This adorable creation by **William Greenberg Desserts** is frosted with sugary whipped cream and adorned with fondant ribbons—a classic cake for a truly white wedding.

*inside information*

Don't be fooled by the simple, pink-fondant exterior of this classic confection by **Vosges Haut-Chocolat**: Inside is dense chocolate cake with blackberry-and-champagne-infused dark-ganache filling.

*dogwood days*

**Ellen Baumwoll** crafted this beautiful design out of daintily patterned fondant and dogwood blooms, creating an effect that's as summery as it is sweet.
